

Robert Kelemen

Deputy Head of ETC Croatia - Centres of Excellence of Varazdin County

Robert Kelemen is a RITHA Specialist in Gifted Education and has a Master's Degree in Information Science. Since 2013, he has been participating in the organization of the Centres of Excellence in Varaždin County.

He is a PhD student at the Faculty of organization and informatics Varaždin in the field of information science.

Since 2017, he has been a team member of the Centre of Excellence for Communication. Within the Centre, he has been developing programs for high ability elementary school students in IT. He has been exploring teaching for creativity in educational settings related to the application of information technology in teaching.

In 2018, enrolled in a first group of Radboud International Training on High Ability (RITHA), a postgraduate specialist study program of Radboud University, and on March 2, 2020 he successfully completed the program for RITHA Specialist in Gifted Education.

In 2019, he became the Deputy Head of the European Talent Centre Croatia - Centres of Excellence of Varazdin County. He has been coordinating the development and the enhancement of the high ability programs of all Varaždin County's centres. He is also in charge of international cooperation.

Creating a supportive environment for high ability students, enabling the opportunity for them to be identified, supporting their needs and further development of their abilities are his main motivation.
